Adopting the Sphere Approach

Sphere is a public service aimed at ensuring both quality and [REDACTED] in humanitarian assistance

The [REDACTED] [REDACTED] provides the ethical and legal background to the Protection Principles, the Core Humanitarian Standard and the Minimum Standards

Ensure people's access to assistance according to [REDACTED] and without discrimination

The Sphere standards are [REDACTED] and remain constant. The [REDACTED] [REDACTED] may need to be adapted to be meaningful in context

Who has the power? Levels of participation.
