on the financial statements 2019

# Report of the statutory auditors

on the limited statutory examination to the General Assembly of

# SPHERE ASSOCIATION

Geneva

As statutory auditors, we have examined the financial statements of SPHERE ASSOCIATION, which comprise the balance sheet, statement of income and expenses, cash flow statement, statement of changes in capital and restricted funds and notes (pages 6 to 9), for the year ended 31 December 2019. As permitted by Swiss GAAP FER 21 the information in the performance report is not required to be subject to the statutory auditors' examination.

These financial statements prepared in accordance with Swiss GAAP FER, Swiss law and the association's articles of incorporation are the responsibility of the Board. Our responsibility is to perform a limited statutory examination on these financial statements. We confirm that we meet the licensing and independence requirements as stipulated by Swiss law.

We conducted our examination in accordance with the Swiss Standard on Limited Statutory Examination. This standard requires that we plan and perform a limited statutory examination to identify material misstatements in the financial statements. A limited statutory examination consists primarily of inquiries of association personnel and analytical procedures as well as detailed tests of association documents as considered appropriate in the circumstances. However, the testing of the operational processes and the internal control system, as well as inquiries and further testing procedures to detect fraud or other legal violations, are not within the scope of this examination.

Based on our limited statutory examination, nothing has come to our attention that causes us to believe that the financial statements do not give a true and fair view of the financial position, the results of operations and the cash flows in accordance with Swiss GAAP FER. Furthermore, nothing has come to our attention that causes us to believe that the financial statements do not comply with Swiss law and the association's articles of incorporation.

#### Notes to the 2019 financial statements

#### 1. Presentation

Sphere was founded on September 28, 2016 and established as an association within the meaning of Article 60 and seq. of the Swiss Civil Code. Sphere's office is located in Geneva, Switzerland.

Until December 31, 2016, Sphere was hosted by the International Council of Voluntary Agencies (ICVA), another association domiciliated in Switzerland. As of January 1, 2017, operating activities of Sphere were transferred from ICVA to the new founded Sphere Association.

The Association exists to strengthen the quality and accountability of humanitarian action based on humanitarian principles and recognised rights of those affected by crisis. The mission of the Association is to convene and support individuals, communities, organizations and other bodies who apply, promote and encourage voluntary adherence to humanitarian standards and principles.

# 2. Significant accounting policies

#### 2a. Accounting Conventions

Sphere financial statements have been prepared in accordance with the Statutes of Sphere (as approved by the 1st General Assembly on 28 September 2016), the applicable provisions of the Civil Code (article 69a), the Swiss Code of Obligations and the Swiss Generally Accepted Accounting Principles (Swiss GAAP FER including Swiss GAAP FER 21, which was revised in 2015).

The financial statements have been prepared using historical cost principles and are presented in Swiss Francs.

Information required by Swiss GAAP FER 21 on the performance of the Association, and not disclosed in the financial report, is included in the annual report. The statement of income and expenses is presented using the classification of expenses by nature.

The Treasurer and Executive Director reviewed the Sphere annual financial statements on 23.04.2020 and the Executive Committee will approve them on 29.04.2020.

### 2b. Valuation principles

Receivables are stated at their nominal value, less any value corrections.

### 2c. Foreign exchange

Monetary assets and liabilities denominated in foreign currencies are converted into Swiss Francs at the year end exchange rate.

Transactions in foreign currencies are recorded in Swiss Francs at the rate received or, if not exchanged into Swiss Francs, at the exchange rate in force on the day of the transaction, using official rates provided by the Swiss administration.

#### 2d. Fixed assets

Tangible assets are considered to be fixed assets when they are expected to be used for more than one year and their nominal value is more than CHF 5'000. Fixed assets are amortized over their useful life.

#### 2e. Revenue recognition

Revenue is recognised when it is probable that the economic benefits associated with the transaction will accrue to Sphere and can be reliably estimated.

#### Donations

Donations are recognized in the statement of income and expenses once they definitively belong to Sphere. They are considered as unrestricted funds, unless the donor stipulates a specific restriction.

#### Notes to the 2019 financial statements

#### Restricted funds

Restricted funds are donations with a specific restriction stipulated by the donor. Restricted funds are recognised in the statement of income and expenses as income, and then allocated to the restricted funds section of liabilities. When funds are used, they are diminished from restricted funds. Detailed changes in restricted funds are disclosed in the Statement of changes in capital and restricted funds.

#### 2f. Contributions in kind

Sphere regularly receives donations in kind, primarily in the form of the free use of goods or services from members and partners. Contributions in kind for which it is difficult to determine a reliable equivalent monetary value are not stated in the financial statements.

#### 2g. Programme expenditure

Expenditures are recognised when incurred.

#### 2h. Related parties

Related parties include Board members of Sphere but not member organisations of Sphere, since Sphere is a network of independent non-governmental organisations.

#### 3. Tax exemption

Sphere qualifies for exemption from local and federal income tax and capital tax, according to Article 9.1 (f) of the Law on taxation of legal persons ("LIPM") and to Article 56 (g) of Law on Direct Federal Tax (LIFD). Tax exemption was granted on 26 June 2017 and is valid from fiscal year 2016.

# 4. Performance report

In accordance with the Swiss Gaap FER 21, Sphere produces an Annual narrative Report.

### 8. Personnel expenses

The number of full-time equivalents in 2019 (average per year) was 8.2 (2018: 7.8).

As permitted by Swiss GAAP FER 21, the total amount of remuneration paid to the persons entrusted with management is not disclosed.

### 9. Pension plan obligation

Sphere employees on contracts of three months or more benefit from a scheme covering retirement, invalidity pension, and death according to the provisions of the Federal Law for occupational retirement (LOB).

The occupational benefits are provided by Nest, according to a defined-contribution benefit plan: investment yield has no impact on premiums; the employer does not guarantee the benefit amount.

The Plan is funded by the contributions of Sphere and the employees. The plan covers the usual occupational benefits: retirement and invalidity pension, and death benefits. Risks are insured by Nest.

As of 31 December 2019, 7 employees were affiliated to the pension plan (2018: 7 employees).

#### Notes to the 2019 financial statements

# 12. Subsequent events

There have been no significant events impacting the annual accounts of 2019 between the balance sheet date and the date of signing the financial statements.

The management of Sphere has carefully considered the impact of the Coronavirus (COVID-19) pandemic on the organisation, including its assets, employees, operations and funding. Sphere has adopted and is adherent to the recommendations of relevant authorities (Federal, Cantonal and the World Health Organisation) and will continue to monitor the evolution of the pandemic and respond accordingly.

Measures have been taken by Management to pursue the following objectives:

- Ensure the safety of the personnel of Sphere Association;
- Support the continuity of activities of Sphere Association where feasible; and
- Uphold Sphere Association as a financially and socially responsible employer and organisation.

Management has taken decisions to close the Sphere office with effect from 13 March 2020, continue the employment of all personnel, support remote working by personnel, adapt activities and ways of working, document significant changes in activities and communicate changes in activities to relevant stakeholders and donors. At present, no financial support is required from Federal and Cantonal authorities. As Sphere is an organisation supporting humanitarian activities globally, the demand for its services will continue and potentially increase.

Whilst Sphere Association remains a going concern, the long term financial and operational impact of the COVID-19 pandemic on its activities cannot yet be fully determined.
