#### Work Experience

**16 Aug 2011 to Present:** Plan International Ethiopia (CO), **Emergency Nutrition Technical Coordinator** with the following key roles & responsibilities:

- Develop or adopt implementation strategies, monitoring & evaluation systems for the Plan International Ethiopia's community-based emergency nutrition response.
- Conduct rapid nutrition assessments/standard nutrition surveys, analyze collected data and provide basis for development of funding proposals.
- Provide technical leadership in all aspects of PIE's emergency nutrition response, including on-going review and documentation of learning.
- Ensure PIE's emergency nutrition response is in line with national and international protocols, policies and donor procedures.
- Provide follow-up technical support to nutrition field teams and also to MoH staff at all levels.
- Prepare programmatic reports in compliance with internal and donor requirements.
- Liaise with the PIE's logistics units at CO, Region and Project Office levels to ensure availability of basic supplies in each operational woreda.
- Participate in review of national nutrition protocols and represent PIE in nutrition cluster coordination meetings and related workshops/conferences.

**15 Dec 2010 to 15 Aug 2011:** CONCERN Worldwide Ethiopia, **Emergency Nutrition Manager** with the following key roles & responsibilities:

- Respect the dignity of beneficiaries, careers and members of the community at all times.
- Give clear induction to newly employed staff about the project implementation and strengthen their capacity through on time feedback.
- Monitor the effectiveness of the emergency response according to stated project goal/ objectives and organize internal and external forums for discussion on performances.
- Ensure proper and timely utilization of the allocated project budget & other resources and produce monthly, quarterly, bi-annually and annual reports.
- Ensure that cross cutting issues (disability, HIV/AIDS and gender) mainstreamed in all levels of project life cycle.

**22 Feb to 30 Sep 2010:** Save the Children-UK (Woldiya Office), **CMAM Field officer** with following key roles & responsibilities:

---

- Ensure the role out of the community based management of acute malnutrition (CMAM) project activities (community mobilization, SFP, OTP and SC) through the government health systems and structures.
- Prepare detail project activities action plan with sound monitoring & evaluation mechanisms.
- Regularly monitor the progress of activities implementation so as to identify any deviations for on time corrections.
- Prepare and submit programmatic reports to all concerned bodies on time (monthly, quarterly & annually).

**01 Mar 2008 to 15 Sep 2009:** IntraHealth International Ethiopia (Dessie Office), **Project Officer** with following key roles & responsibilities:

- Strengthen MNCH services and ensure the integration of PMTCT and pediatrics related activities (IMNCI).
- Facilitate the establishment of coherent systems for infant follow up, pediatrics HIV/AIDS case detection by using IMNCI protocols as an entry point & strengthen referral linkage to HCSP, MSG and other related services.
- Oversee community mobilization activities at community levels and provide support for community action facilitators and HEWs.
- Facilitate & coordinate decentralized performance improvement trainings on HMIS, FP/RH integration and project management.
- Facilitate joint review of facility's HMIS, compile reports and submit on time.

**01 Jul 2007 to 28 Feb 2008:** Save the Children-UK (Sekota Office), **HIV & AIDS Mainstreaming Officer** with the following key roles & responsibilities:

- Ensure that HIV & AIDS prevention, care & support measures are effectively mainstreamed in all SC-UK's projects.
- Organize and conduct HIV/AIDS mainstreaming trainings to ensure that HIV/AIDS is effectively mainstreamed across all public & non public sectors.
- Promote effective advocacy work to ensure that chronically ill persons, female headed households and vulnerable children are targeted in the ongoing safety net projects.
- Work closely with government partners, community based organizations and PLWHAs focusing on HIV & AIDS mainstreaming and its impacts mitigation.
- Manage resources of the project and preparing programmatic reports on time.

**01 Jul 2004 to 30 Jun 2007:** EECMY-NCES (Sekota Office), **Project Supervisor** with following key roles & responsibilities:

- Provide technical assistance to CBRHAs, CBOs and HEWs focusing on FP services, HIV & AIDS, STIs, Post Abortion Cares, HTPs and Essential Nutrition Actions.
- Managing the organization's resources, such as FP supplies, Funds, man-power especially volunteers.
- Facilitate and/or conduct trainings on reproductive health services, such as FP, MNCH and HIV/AIDS/STIs prevention & control.
- Facilitate/conduct trainings on essential nutrition actions for HEWs/CBRHAs.
- Provision of counseling and family planning services, including long term methods to clients.
